A visa on arrival costs \$25 USD and exact change is required. Please note that there are no mandatory vaccinations required to enter Egypt. However, we recommend consulting your GP or a travel health clinic before you travel to ensure your routine vaccinations are up to date and to receive any personalised health advice.

TIPPING

While tipping isn't mandatory, it's a thoughtful way to show appreciation, especially considering the modest wages many workers receive. A small gesture can go a long way, so setting aside a little extra for porters, guides, and drivers is always appreciated. Leaving some spare change at restaurants is also a kind way to recognise good service.

For Nile Cruises, tips are set at \$5 USD per person, per day, and will be collected at check-out.

SHOPS

Throughout the itinerary, there will be some stops at local shops. If you'd prefer not to participate, please let your guide know. While these shops may be slightly more expensive, they offer the reassurance of guaranteed returns, even after you've returned home.

PHYSICAL ACCESSIBILITY

This tour is suitable for most people with a good level of fitness and normal mobility. It includes activities such as climbing steep stairs, walking on uneven ground during excursions, and getting on and off coaches, vehicles, and boats.

CURRENCY

The official currency in Egypt is the Egyptian Pound (EGP), but USD is widely accepted. We recommend exchanging some currency before leaving the UK for convenience. However, cash machines are readily available in all major cities, allowing you to withdraw money in the local currency if needed.
