While tipping isn't mandatory, it's a thoughtful way to show appreciation, especially considering the modest wages many workers receive. A small gesture can go a long way, so setting aside a little extra for porters, guides, and drivers is always appreciated. Leaving some spare change at restaurants is also a kind way to recognise good service.

For Nile Cruises, tips are set at \$5 USD per person, per day, and will be collected at check-out.

SHOPS

Throughout the itinerary, there will be some stops at local shops. If you'd prefer not to participate, please let your guide know. While these shops may be slightly more expensive, they offer the reassurance of guaranteed returns, even after you've returned home.

VISAS

British passport holders require a visa for travel to Egypt.

You can apply online for an e-visa, which is valid for up to 3 months, or you can obtain a visa on arrival at the airport before immigration. A visa on arrival costs \$25 USD and exact change is required. Alternatively, our representative can provide a full visa service and assistance for \$30 USD per person (only available at Cairo International Airport). Please note that your passport should also be valid for at least 6 months from arrival into Egypt. Please check the FCDO website for more information.

HEALTH AND VACCINATIONS

Please note that there are no mandatory vaccinations required to enter Egypt. However, we recommend consulting your GP or a travel health clinic before you travel to ensure your routine vaccinations are up to date and to receive any personalised health advice.

PHYSICAL ACCESSIBILITY

This tour is suitable for most people with a good level of fitness and normal mobility. It includes activities such as climbing steep stairs, walking on uneven ground during excursions, and getting on and off coaches, vehicles, and boats.

In Cairo, where excursions are private, the pace can be adjusted to suit your needs. However, excursions onboard the Nile Cruise are conducted with other passengers and cannot be modified. That said, you always have the option to stay onboard if you prefer to relax.

The official currency in Egypt is the Egyptian Pound (EGP), but USD is widely accepted. We recommend exchanging some currency before leaving the UK for convenience. However, cash machines are readily available in all major cities, allowing you to withdraw money in the local currency if needed.
