FAQs

DO I NEED A VISA?

British passport holders require a visa to enter Sri Lanka, and your passport must have an expiry date of at least 6 months after the date you arrive with at least 2 blank pages.

You must apply for an Electronic Travel Authorisation (ETA) online before you travel. It only takes a few minutes and allows you to stay in Sri Lanka for up to 30 days, with the option to extend your stay if needed. Visas on arrival are no longer issued.

Please check the FCDO website for more information on visas.

DO I NEED ANY VACCINATIONS?

Please note that there are no mandatory vaccinations required to enter Sri Lanka. However, we recommend consulting your GP or a travel health clinic before you travel to ensure your routine vaccinations are up to date and to receive any personalised health advice.

WHAT SHOULD I WEAR TO RELIGIOUS SITES?

When visiting Sri Lanka's beautiful religious sites, we kindly ask all visitors - regardless of gender - to dress modestly as a sign of respect. This means covering shoulders and knees, so please avoid wearing shorts or sleeveless tops. These customs are especially important at sacred locations such as the Temple of the Tooth in Kandy and the Sacred Bo Tree and Stupas in Anuradhapura, where traditions are deeply honoured. As a mark of reverence, you'll also be asked to remove hats, caps, shoes, and slippers before entering temples and religious monuments. Don't worry, most places provide a safe and affordable spot to leave your footwear at the entrance.

WHAT CURRENCY DO I TAKE WITH ME?

We recommend bringing US Dollars for Sri Lanka - they're easy to exchange and widely accepted.

WHAT ADVICE WOULD YOU GIVE ON TIPS?

While tipping isn't mandatory, it's a thoughtful way to show appreciation, especially considering the modest wages many workers receive. A small gesture can go a long way, so setting aside a little extra for porters, guides, and drivers is always appreciated. Leaving some spare change at restaurants is also a kind way to recognise good service.

WHO IS THIS TOUR SUITABLE FOR?

This tour is accessible to most people with an average level of fitness and normal mobility, however as there is a lot of climbing and uneven terrain at historical sites, this tour is not suitable for anyone with walking difficulties.

We recommend a minimum child age of 12 for this itinerary, but for families with younger children please contact us for a tailor-made itinerary.
